

NOTICE OF DECISION UNDER REGULATION 32 FILM POSTERS

VIDEO SLICK

TO: The Film and Video Labelling Body Inc.
PO Box 2627
Ponsonby
Auckland

Pursuant to regulation 32 of the Films, Videos, and Publications Classification Regulations 1994 the film poster entitled:

Deep Behind the Scenes with Seymore Butts Vol 1

is **Not Approved.**

if approval refused, the reasons for the decision:

The video slick contains a large number of photographic images of sexual activity and nudity. Included in the montage are images which degrade and dehumanise the persons represented in a strong manner. The slick reduces the women in particular to body parts to be utilised for the sole purpose of sexual gratification. The specific activities which degrade the women, by representing them as orifices to be filled or surfaces to be ejaculated upon, are given greater impact by the density of these images on the slick as a whole. The slick is considered likely to be injurious to the public good.

Under reg28(3)(a) the Classification Office considers that the slick would be likely to be classified as objectionable if submitted under s13(1) for classification under s23. The video slick, *Deep Behind the Scenes with Seymore Butts Vol 1*, is therefore not approved.
